Rev. J. M. MacInnes,
South Presbyterian Church,
Syracuse, N.Y.

Dear Mr. MacInnes:

I have to thank you for your kind invitation to be with you and Mrs. MacInnes on Thursday evening at six o'clock before my lecture in Syracuse. I should be glad to go were it not that I am to be the guest of Professor Peritz, and I do not know what arrangements he may have made for me while I am to be in Syracuse. Also, I should like to have some little time to myself before the lecture, as I am to be very busy, practically up to the time that I arrive in Syracuse. I suppose you know the address of Dr. Peritz, and perhaps you will communicate with him.

With kind regards, I am,

Yours sincerely,

President.
